

"I am not directly defeated by Mr. Hibbard in a straight contest, nor is the Democratic party beaten by the Republican party; the result is due to the fact that the Independence League has come into this contest, as it did into the State contest, and has upset normal political conditions."—Statement by Mayor Fitzgerald.

BIG EFFECT

Worcester, Lynn and Woburn Go No While Chelsea Turns the Other Way--Hurley Wins in Salem, Wardwell in Cambridge, Fall in Malden and Bruce in Everett.

It was a day of surprises in nearly every one of the eighteen cities outside of Boston where elections were held yesterday. The feature being the swinging of Worcester, the second largest city in the Commonwealth, into the column of the opposition after eleven years on the way laid a similar change of attitude by the voters of Lynn after eleven years of "yes"; the shifting of Woburn also to the opposition line, and a complete turn in the other direction by the Chelsea voters.

In addition to the votes named there were several places where the opposition to license was materially increased, as in Fall River, where last year's vote majority was cut in half. In Malden where there was a net gain of \$13,000 for the party, in Hays where the vote majority was reduced by more than half, and in Lowell, Haverhill and Newbury.

Exciting Majority Contests

Outside of the license vote the majority contests in several cities were hard fought. In Salem, where the vote was split, the opposition won by a narrow margin. In Lynn, where the vote was split, the opposition won by a narrow margin. In Woburn, where the vote was split, the opposition won by a narrow margin. In Fall River, where the vote was split, the opposition won by a narrow margin. In Malden, where the vote was split, the opposition won by a narrow margin. In Hays, where the vote was split, the opposition won by a narrow margin. In Lowell, where the vote was split, the opposition won by a narrow margin. In Haverhill, where the vote was split, the opposition won by a narrow margin. In Newbury, where the vote was split, the opposition won by a narrow margin.

Hurley Wins in Salem

There were but two tickets in the field in Salem, the Republican, headed by Mayor Felton, and the Independent, headed by Mayor Hurley, and the "split" had been made. Mr. Hurley moved two terms as Mayor in 1904 and 1906, winning both times by a large margin. He was re-elected yesterday by a large margin. The vote was: For Mayor, 1,000; Against, 500.

Record Vote in Worcester

The vote in Worcester was a record on record and the Republican won by a large margin. The vote was: For Mayor, 1,000; Against, 500.

Appendicitis.

How To Avoid it and Escape a Surgical Operation. Told By One Who Knows.

A Simple Method That is Always Efficacious.

It has only been a few years since it was discovered that a certain operation would cure appendicitis; in fact, it has been but a short time since the disease was discovered and named.

Whenever there is an inflamed condition of the appendix, caused by impacted feces in the small cavity opening into the intestine, you then have appendicitis.

The older doctors used to call this inflammation of the lower and were puzzled to know the cause.

Even now, with all our knowledge we have of the disease, no medical man can tell you why we should have an appendix, why we find it where it is, or what are its functions. If it has any.

The disease for which the operation is a cure is usually caused by indigestion, and in many cases follows a large and indigestible meal.

Physicians have until recently recommended an operation, but now, as it is known that it is caused by indigestion or dyspepsia, a cure without an operation is assured.

When the patient is treated with Stuart's Dyspepsia Tablets, the unhealthy condition gradually disappears, the stomach and intestines are placed back in their normal condition, every organ of the body becomes as it should, and the inflammation is reduced and the operation is avoided.

Conscientious physicians, who are looking after the best interests of their patients, will always keep a supply of Stuart's Dyspepsia Tablets handy in their office, where in cases of sudden attacks of indigestion they can relieve the patient at once.

There is no record of a case of appendicitis where the stomach and bowels were in a healthy condition and properly digested the food from meal to meal.

No better advice can be given to any one who has been troubled with indigestion, or who has been threatened with appendicitis, than to tell him to go to the drug store, pay 50 cents, and take home a package of Stuart's Dyspepsia Tablets.

Whenever heartburn, gas in stomach or bowels, heart disease or stomach trouble, sour eructations, acidity or fermentation are present, eat at once a dose of the Tablets, and relief will come as soon as possible.

At all drug stores or write to us and we will at once send you a sample package free, and a full trial package for 100 cents. Write to: Stuart, Co., 150 Stuart Bldg., Chicago, Ill., Mich.

JURY CLEARS FATHER SUE BY SON-IN-LAW

Sealed Verdict in Suit in Which
Father Was Accused of
Alienating Wife's Love.
WAS LARCHMONT VICTIM

Special to the Boston American.
PROVIDENCE, R. I., Dec. 11.—A sealed verdict for the defendant was returned in the Superior Court today in the Boston suit brought by Hans D. F. DeThurston of Malden against his father-in-law, John J. Jensen, for alleged alienation of the affection of Mrs. DeThurston, formerly Miss Louise Jensen and one of the victims of the Larchmont disaster.

The case went to the jury yesterday. The defense submitted a statement purporting to have been drawn up by Mrs. DeThurston shortly before her death and given to Attorney Frederick Bracker, declaring that the writer had been forced to wed DeThurston through fear, that she never had any affection for him and that she was then contemplating divorce proceedings.

Jensen Was Angry.
DeThurston came here from Everett and secured a place in the Jensen household. He fell in love with Jensen's daughter, Louise. Jensen was furious, and DeThurston was discharged. He went to Malden. Later he was taken back, but left Providence again and returned to Malden.

The New Jensen came to Boston to study made. In June, 1902, she secretly married DeThurston. The marriage was later found to be void, and she was forced to leave. She was then found in the hands of DeThurston, who was then in the hands of the Larchmont disaster.

Read of Death in Paper.
The first he knew of her death was on the Larchmont when he read it in a Providence paper. He was then in the hands of the Larchmont disaster.

Let's De Thurstup died his alienation suit together now if it had not been for the interference of the Larchmont disaster. The defense maintained that Mrs. DeThurston was in the hands of the Larchmont disaster.

MAKES LIFE MISERABLE
Troubles That Keep Half the Boston Doctors Busy.

For the sake of your personal welfare, just think a moment about the process of digesting food. There are certain secretions called gastric juices that act upon the food after it is swallowed and change all the nutrition in it into life-giving blood.

Anything that interferes with the secretion of these juices causes indigestion and makes a chronic state of stomach weakness inevitable. From now on build up the strength and health of the stomach with Mucosa tablets. You will soon find yourself strong and never know the meaning of indigestion.

Half of the prescriptions the Boston doctors write are for troubles that result directly from a weakened stomach. Strengthen the stomach muscles, increase the secretion of gastric juices, and you will find that the common afflictions—indigestion, with its headaches, dizziness, depression, sprits, apoplexy before the eyes, nervousness, sleeplessness and general debility—have been overcome.

If Mucosa did not have an unusually curative effect in stomach disorders, it would not be sold on the guarantee to refund the money unless it does all that is claimed for it.

Mucosa is sold by druggists everywhere for 50 cents, and we positively guarantee to refund your money should you purchase a box and be dissatisfied with results. Write for free sample, addressing Booth's Mucosa, Box 877, Buffalo, N. Y.

Entire Cast Was New in This Engagement and Included Alice Nielsen and Others.

The entire cast was new. Alice Nielsen, Mimi, Marietta, Peter Maier and Giulio, who had been with the company since they made their initial bow for this engagement. The opera was "Rigoletto," Mme. Nielsen sang the role of Gilda in Italian, and the other parts were sung by Maier, Drake, and Sic. Forest the Sparafucile. The scenery was excellent in the ensemble work.

which is remarkably strong, even and sustained. The chorus of the company seems to work together unusually well.

Miss Nielsen was never in better voice, and she infused the role with her own charming personality. Sig. Maurer's Riguccio was perfect, and "La Donna Mobile" selection by Sig. Dani, aroused the audience to fever heat. Altogether, it was one of the best of the series of "Rigoletto" and even here, "La Gioconda" will be repeated this afternoon, and "Trovatore" will be given for the first time to-night.

BILLY GLOVER
WON IN WALK

NEW YORK, Dec. 11.—Billy Glover of Boston scored early in his bout with Johnny Doban at Brown's Gymnasium.

Doherty's legitimate lightweight and came out to fight at 130, while Glover's best weight is 142. Doherty took the aggressive from the start and tried hooks and jabs to the head but his reach was a little shy and Glover could easily step and duck out of range.

In the fifth round Glover sent Doba sprawling across the ring with a right to the head, but he was up fighting hard at the bell. In the last round Lohan showed signs of distress, the extra weight telling on him.
